As a valued Partner you shall be supported with our strong and robust leadership team of marketing professionals and promise to equip you with the necessary sales tools, knowledge and training to make your business operations easier. You shall also receive top-notch support from our 24/7 dedicated partnersupport team.

Our Success

Our success is driven by our ambition to remain at the forefront of technology and provide pioneering solutions to our clients. We currently have more than 900 partners registered in the NJP program and our partner's portfolio are ever growing. There has never been a better time to join our network of partners, so join now and share the success.

Business Strategy

The NJP Compensation Plan is comprised of three primary sections that work together in unison to reward you as you build your business. Thus the monthly residual, referral and rewards programs. These programs have been strategically designed to pay as you begin, as you grow, and as you mature your business. Each of the three sections contain complementary financial rewards. Together this creates a simple, robust, and yet rewarding compensation plan that will provide you with multiple streams of income while growing your NetSpot partnership business.

Partnership Packages

NetSpot Joint Partnership program (NJP) is currently running 5 joint partnership packages with each packages validity lasting for 12 months.
